Stephen Ehlen Erdener Treppchen Riesling Kabinett, Mosel, Germany

Golden State of Mind 16

Not every wine in California comes from Napa! Mendocino is rapidly growing as is the entire Sierra Foothills region. Some of these places are actually older growing regions than their more familiar neighbors. We think you will start to explore a little more after this flight.

Cultivar Chardonnay, Mendocino
DeRose Cabernet Franc, Cienega Vly
Giornata il Campo Sangiovese Blend

Red Wine

Querciabella Mongrano Super Tuscan, Maremma, Italy
Camins del Priorat Carignan Blend, Priorat, Spain
Floats Like a Butterfly, Stings Like a Bee 18

Mas del Perie "Les Escures," Cahors France

This flight disproves the old myth that darker wines are better. What these grapes lack in pigment, they make up for in character & intensity. Think earthy, minerally reds.

Dm. Foundid Xinamavro, Nousse, Greece
Brezza "Santa Rosalia" Nebbiolo d'Alba, Piedmont, Italy

Go Green or Go Home 17

From Biodynamic, LIVE certified, organically grown, or alternative containers, winemakers and wine drinkers are seeking out wines that are environmentally friendly. These three gems are part of that movement, and better yet, they are freakin' delicious.

Broc Martin Vineyard Mourvedre, Ampelos Cellars Syrahe
Domaine du Brin Petite Brin, Gaillac, France

AP Vin 25

Right here in the Mission District, Andrew crafts extremely small production Pinot Noirs by working with some of the best vineyards & growers. These truly show the difference a vineyard can make. We are thankful Andrew left finance for wine, because we need one a lot more Pinot like this!

AP Vin Rosella's Santa Lucia
AP Vin Clos Pepe Santa Rita

Dessert

Like the Dessert, Miss the Rain 19

Three very different wines, sharing a few things in common. The two most important- they are great pairings with chocolate or cheese, which is kind of our thing.

Blandy's 10 Year Malmsey Madeira
Smith Woodhouse Lodge Reserve Port
Trentadue Petite Sirah
